

Finance broker ActivTrades, announce a free UK Trading Tour hosted by market expert, Gavin Holmes.

London based broker, ActivTrades, are planning a 3-day trading tour from 11th-13th May to Edinburgh, Leeds and London, presented by world renowned trader, Gavin Holmes.

All registrants will receive Part 1 of an online trading course worth £495, just for signing up to the trading tour, as well as a free gift and special offers to enhance their trading experience.

You can attend an ActivTrades seminar **completely free of charge**. The seminars will teach traders how to:

- Create an enlightened trading strategy: using principles from the world famous Volume Spread Analysis methodology
- How to trade the news: making trading decisions in light of global news
- Manage the trading process: the fundamental principles of trading

Gavin Holmes is the protégé of Tom Williams, the curator of the Volume Spread Analysis methodology. Gavin has traded and studied the financial markets for over 15 years and has self-published his own books such as *Trading in the Shadow of the Smart Money* and *Trading in the Shadow of the Smart Money Volume 2: Sequential VSA Chart Patterns Explained*.

You can find out more about the tour by visiting activtrades.com/seminar.

To support the trading tour ActivTrades have launched an online digital campaign called [The Evolution of a Smart Trader](#). The campaign offers exclusive and insightful content in preparation for the seminars.
