

**Industry experts gather for the ActivTrades Financial
Trading Summit 2016.**

On Saturday 19th November the ActivTrades Financial Trading Summit, will be held in the renowned May Fair Hotel. This high profile event will include presentations from ten trading experts and academics, including Paul Wallace, Catherine Stott and Zak Mir.

Attendees will be able to network with leading industry professionals, gain a better understanding of financial trading and benefit from new perspectives on analysing financial markets. All delegates will receive the presentations on a handy USB stick. In addition, all those attending will enjoy free access to a two-week online course worth £300, presented by experienced trader Martin Walker.

“This event will be the highpoint of 2016 for traders keen to succeed,” said ActivTrades Marketing Director, Alessandro Gho. With ten experts on hand to share their knowledge and insight, traders will be able to transform their strategies and understand the financial markets further.”
