ADVFN International Financial Awards 2017

**- financial industry's best products, services and companies
honoured**

in global awards -

ADVFN (LSE:AFN) today announces the winners of the third annual ADVFN International Financial Awards.

The panel-judged awards, which recognise and celebrate the best of breed products and services from across the global financial industry, have honoured 39 companies and individuals from within the sector. Winners range from wealth managers, stockbrokers and trading education providers to journalists, bloggers and financial publications.

Full information about all of the categories and winners can be found on the ADVFN International Financial Awards 2017 website: https://uk.advfn.com/awards_2017

"This year's awards are the biggest yet, which reflects the calibre amongst both the stalwarts and the new guard in the industry," said Clem Chambers, CEO of ADVFN. "ADVFN is delighted to commend those that have been outstanding in the sector over the past year. Congratulations to all of the winners."
