

LEADING BROKER ACTIVTRADES WINS LE FONTI FOREX BROKER OF THE YEAR
AWARD FOR THE SECOND TIME

NOVEMBER 2017, LONDON.

[ActivTrades](#), one of the world's leading online Forex Brokers, has won the Le Fonti Forex Broker of the Year Award for the second year running.

A UK-regulated firm with offices in Europe and the Middle East, ActivTrades was selected as the winner by the editorial staff of over 120 journalists at Le Fonti, the international and independent media company and research centre.

Le Fonti credited the broker for "aiming to maximise its clients' trading through a unique mix of superior value proposition, diverse product offering and stellar customer service". Le Fonti's judges added that ActivTrades offers "some of the tightest spreads in the industry" and a "wide range of professional webinars".

ActivTrades specialises in providing industry-leading trading services in Forex and Contracts for Difference. As part of the company's ongoing commitment to protect its global customer base, ActivTrades doubled its client insurance in September to £1 million, at no additional cost to the customer. This upgraded protection provides further assurances to clients with significantly larger investments.

Ricardo Evangelista, International Desk Manager at ActivTrades, said, "Our corporate values centre on the needs of our clients and it is hugely satisfying to have our efforts recognised for the second year running.

"In times of rapid industry changes, we pride ourselves on going the extra mile for our clients. Our global customer base of over 50,000 is increasing year-on-year and in the third quarter of 2017 we recorded nearly 20,000 active traders. This is a testament to our ability to meet the market's expectations as well as our ongoing commitment to expand and add value to our services."

A highly anticipated celebration uniting the world's leading corporate stars, the Le Fonti Awards recognises industry leaders in fields such as finance, banking, business and insurance.
