ActivTrades PLC, the premium global regulated broker dealing in foreign exchange and Contract for Differences (CFDs), is pleased to announce the first public seminar in Bahrain “Trading in foreign exchange: Investment Goals and Risk Management” which will take place on 26th September 2017 at Golden Tulip Hotel, Bahrain from 18:15 to 21:00 presented by Eng. Hamad Al Jahni, Financial analyst and researcher in technical analysis techniques and specialized in Online trading and international stock exchange strategies.

The program of the seminar will discuss the principles of choosing the right trading partner, this topic will highlight the importance of choosing the right partner for foreign exchange trading regionally or internationally, it will also explain the investment goals and risk management which will help first-time and

established traders to make the right decisions while trading in foreign exchange yet to provide them with the right tools and to build their goals accordingly and how to manage any risk within the financial or foreign exchange markets to reduce loses as well as amplifying their opportunity when trading.

Commenting on this occasion Georges Batrouni, Head of Middle East ActivTrades office said: “Our corporate values centre on the needs of our clients and such seminars are important equally to us and to them and offering this kind of seminars is just another example of this commitment towards our clients.”
